Strolling along the esplanade

Lots of sheer luxury within reach!

In the morning you can first have a hot shower before enjoying lovely, freshly-baked rolls while reading the morning paper in front of your tent. After a refreshing dip in the swimming pool - and at the end of an exhausting day - you can enjoy a lovely meal in our restaurant. We are providing a wide range of facilities for a memorable holiday!

Our supermarket carries a large selection of goods, ranging from everyday food products to postcards or magazines. Our sanitary facilities are excellent. De Noordduinen (Northern Dunes) boasts three, spotlessly-clean toilet buildings.

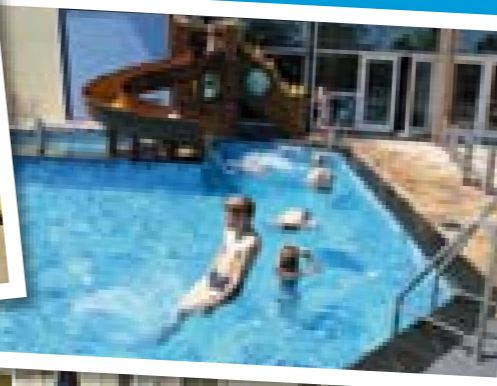

If you would like to meet some other guests you can visit our brand-new 'Huys te Britten' building, with its indoor and outdoor swimming pool, a restaurant, a snack bar, a plaza and a real children's theatre...!

What shall we do today?
The little ones will soon discover the fantastic playground while there are plenty of other

things to do for the older children. Really 'hot' are the public sports field at the entrance to the camping grounds and the super skate park next to the beach entrance. We have an enthusiastic recreation team that will make sure the summer is filled with fun. They organise games, walking tours, sports events and the children's theatre at 'de Burcht'... Who would like to join us?

Having a picnic by your tent!

Katwijk, a village with character

What is the first thing that comes to mind when you think of Katwijk? It is probably the fishing industry, which used to be one of the main sources of income of the people of Katwijk. The distinctive atmosphere of the olden days is still noticeable, but Katwijk has more to offer nowadays!

The village is an attractive seaside resort with a population of over 40.000 and a wide range of facilities, not only for its own residents but definitely also for the many tourists that visit this beautiful place. The welcoming, modern town centre with its great variety of shops makes Katwijk well worth visiting all year around.

It only takes five minutes to get from De Noordduinen to Katwijk's town centre. A lot of things are organised in the village of Katwijk such as fireworks and rescue demonstrations, nature walks and sports events. During the summer months you can visit the charming, weekly tourist market. The annual Rijnsburg flower procession, which takes place on the third Saturday of August, is always a feast for the eye.

Don't forget to visit the 'Oud Katwijk' Museum with its magnificent collection of works by painters that have visited Katwijk throughout the years. It is a place where history is still perceptible. Katwijk's inner marina is always crowded and bustling. You and your children will be assured of a great day out by taking a cruise to the Kagerplassen recreation area with the Rederij Triton shipping company.

A beach holiday with lots of possibilities.
